

Topics

Members of academic institutions, research organizations and industry are invited to submitted papers on the following topics:

Topic 1: hydrogen Fuel cells;

Topic 2: Hydrogen safety system;

Topic 3: Hydrogen production;

Topic 4: Hydrogen storage and transport;

Topic 5: Hydrogen uses;

Topic 6: Hydrogen economy.

Topic 7: Maghreb-Europe Project.

Instructions for Authors

Papers of no more that 10 pages should be written in English or French (times New Roman 12) and submitted as postal and E-mail attachment in Ms Word or PDF format. The final acceptance will be based on the adequacy of the paper contents to the Workshop topics and according to the decision of the international scientific committee. The full paper on A4 format with a Software Copy on CD-Rom must be sent by Postal-Mail

Important Dates

Deadline of reception of the abstracts:
1st September 2006.

Notification of acceptance to the authors:
September 19th 2006.

Deadline for the sending of the full paper:
November 30th 2006.

Final selection
December 31th 2006

Held of the Workshop
19-21 March 2007 in Ghardaïa

Inscription fees

– Industrial: 6000 DA

– Lecturer and Researchers : 4000 DA

– Students : 1000 DA

The Second International Workshop on Hydrogen

Gardaïa, 19th to 21th March 2007

WIH2'2007

Presentation

During the First International Workshop on Hydrogen: energy vector of renewable origin organized in Algiers, Algeria on June 2005, many recommendations were suggested to develop hydrogen research activities. The main recommendation is the organisation of an International Workshop on Hydrogen (WIH2) once every two years. It's an occasion to discuss and exchange recent scientific results on hydrogen-energy research and experiences in applications and use of hydrogen technology in order to satisfy the energy policy for a clean environment and sustainable development in local, regional and international scales.

This call of communication is an invitation to several contributors, from environment, industry, energy, and research sectors.

Organised by

Center of Renewable Energy Development
Unity of Applied Research on Renewable Energy of Ghardaïa.

With the collaboration of :

Ministry of High Education and Scientific Research,
Delegate Ministry of Research,
Ministry of Energy and Mines,
Ministry of Territorial Development and Environment,
Ministry of Industry,
Wilayat of Ghardaïa,

And Supported by

Algerian hydrogen Association,
French Hydrogen Association,
European Hydrogen Association,
International Hydrogen Association.

And with the contribution of industrial companies:

SONATACH, SONELGAZ, ENGI, SNVI, CEVITAL,
ONEDD, Kénergie, UEP

Permanent committee

BELHAMEL M.	CDER, Algeria	President
MAHMAH B.	CDER, Algeria	Secretary
AFFOUNE A. M.	Univ. de Guelma	
ALIOUA A.	Scientific advisor, Algeria	
ALLEAU T.	AFH2, France	
BENCHRIFA R.	CNRST, Morocco	
BOUDGHENE-STAMBOULI A.	USTO, Algeria	
CHADER S.	CDER, Algeria	
CHERIGUI A. N.	Univ. Joseph Fourier, France	
DJILALI N.	University of Victoria, Canada	
ELJRUSHI G.	University of Misurata, Libya	
ETIEVANT C.	CETH Innov. France	
HALOUANI K.	Université de Sfax, Tunisia	
HAROUADI F.	CDER, Algeria	
KHANNICHE S.	University of Wales, UK	
LABED S. E.	CDER, Algeria	
MALEK A.	CDER, Algeria	
M'RAOUI A.	CDER, Algeria	
SHEFFIELD J. W.	Univ. Missouri-Rolla, USA, ICHET	
VEZIROGLU T. Nejat	University of Miami, IAHE, USA	

Coordination Committee

Mr B. MAHMAH	President
Ms S. CHADER	Vice-President
Mr A.N. CHERIGUI	Member
Mr F. HAROUADI	Member
Mr L. SERRIR	Member

Organisation Committee

M. L. SERRIR	President
M. A. M'RAOUI	Vice-President
Mr Y. BOUHADDA	Member
Mr B. LAOUN	Member
Mr Y. MOHAMMEDI	Member
Mr A. RABEHI	Member
Ms K. TELMID	Member
Mr S. TOUILEB	
Mr M. BOUAMRA	
Mr L. SERRAT	

Visio-conference organisation will be assured by:

Ms R. BESSAH	Member
Mr K. IMESSAD	Member
Mr S. BOUCHAIB	Member
